my idea:
why not people ask what they want to learn and others prepare workshops
To
Torsten Fabricius ☺️ (Torsten)
00:42:19
I for example want to learn how to convert a Wordpress theme to a Tiki theme ... maybe the most important pointer would help already

Ah, I see it on the embedded page but not on the TikiFest page
yes it is viewable, not advertised
ah, nomor
the problem is I am very busy this month so I was even not checking my tiki.org mail much recently :(
On demand workshop is a good idea. I'd like to see it.
I would prefer stick with Fontawesome icons and focus on more important fixes than adding option for two icon sets. It is a mess already with the old bitmap icons we have already
We already have two or three icon sets, adding another shouldn't be so hard
lol, yes, but nobody is maintaining those two other options
also true
we can use TogetherJS to edit the page collaboratively ;)
