TikiFest

A tradition in the Tiki community, a TikiFest is a meeting between Tiki community members (who usually only meet online). This is an opportunity to socialize, code and discuss wiki and related technology and culture, etc.

*More Tiki events are listed on the Tiki Calendar*

Follow @tikiwiki on Twitter for TikiFest info!

Please help to complete the TikiFest Timeline, which is running from tracker 18. If you have a minute (and are logged in) please help add the missing TikiFests there. Thanks!
