The main objective of this week-end TikiFest is to release 1.9.0 in collaboration with developers all over the World on IRC.

**Todo**

- Find & setup one or many webcams (Luis)
- Setup IRC chats and webcam feeds from other devs on big screen/projector (Ernesto)
- Bring Digicam to add nice pics to Tiki's photo gallery. (Marc & all)

**Done**

page to receive webcam feed mose
