About

**What is a Tikifest?** It's a tradition in the TikiWiki community. TikiFest happens when there is a meeting between at least 2 TikiWiki contributors that don't usually meet. This is an opportunity to chat with people in person, get some laptops out and code wildly in group sessions and/or discuss about wiki technology and culture while drinking some adult beverages (ok, it means mostly having a beer in a pub after hard day work/brainstorming), etc. depending the mood and context. It is great for Tiki users and Tiki power users to meet some of the developers and learn more stuff.

This Tikifest is being held **November 12-13-14-15-16, 2008 in Montreal, Canada**, the following days after the **WebCom Conference** and is being focused on Branding+Marketing, Design and Look & Feel.
