TikiFest2010-Tampa

A tradition in the Tiki community, a TikiFest is a meeting between Tiki community members (that usually only meet online). This is an opportunity to socialize, code and discuss about wiki technology and culture, etc.

If you are new/curious about Tiki, come and meet the contributors. There will be a free workshop "introduction to Tiki" and a TikiFest cocktail.

This event is organized by the newly created Florida Tiki Users Group. The following week, it's TikiFest New York 6
