

# ContactUsAnon

## Admin Documentation

---

please include screenshots and documentation focused toward admins, rather than developers

3 points to have this feature working:

- You need to activate the admin -> features : Contact us as anonymous
- You need to give a user name in admin -> general for contact user
- The contact user needs to have an email address

## Notes

---

This page is for the latest released stable version or release candidate(not stuff in CVS).

## Knowledgebase / tutorial / FAQ / How-to

---

- Turn on the UserMessages feature to allow the users to contact you via the built in message system when using the Contact Us page.

## TikiTeam

---

Who is working here generally? Link UserPage.
