as a work around for uploading swf files

The fields showing the path of the files needs to be longer

All games are from www.miniclip.com, visit the site for more games and fun

Upload a game

Upload a new game

requires both

Flash binary (.sqf or .dcr): `C:\Documents and Setti` [Browse...]

Thumbnail (if the game is foo.swf the thumbnail must be named foo.swf.gif or foo.swf.png or foo.swf.jpg): `\dgd1\Desktop\test.htm` [Browse...]

shouldn't this include .swf?

Description: `test`
