Kaltura

Kaltura is an open-source video platform, and with which Tiki integrates and is part of the Tiki Suite

- Documentation about how to use: doc:Kaltura
  - [http://doc.tiki.org/Tiki-Kaltura+Integration](http://doc.tiki.org/Tiki-Kaltura+Integration)
- Feature requests and bug reports: dev:Kaltura
- Project site: Kaltura

Some notes:

- The initial integration was started as part of of the 2009 Google Summer of Code
  - A TikiFest on the topic: TikiFest2009-London-2-GSOC
- Tiki[dogfood]ed the idea of integration and came up with tv.tiki.org. It all started in New York
  - Targeting Integration of Kaltura by Tiki6 release done
