Fixing Community Items session

(Why this?)
Closing the Roundtable time we use available time to organize a session to fix a list of bugs from the reports at https://dev.tiki.org/Community+items#Summary and https://dev.tiki.org/Community+items#List

- ...

Tiki community issues (no coding) where volunteers are needed

- After 17 dogfood server & prefs documentation is switched over, it should all be checked for accuracy. (Anything obviously wrong)
