What

See [Roundtable Meetings](#) for a detailed description.

Fixing Community Items session

(Why this?)

Closing the Roundtable time we use available time to organize a session to fix a list of bugs from the reports at <https://dev.tiki.org/Community+items#Summary> and <https://dev.tiki.org/Community+items#List>

- ...

Tiki community issues (no coding) where volunteers are needed

- After 17 dogfood server & prefs documentation is switched over, it should all be checked for accuracy. (Anything obviously wrong)

Where

<http://live.tiki.org>

Topics

1st hour quick news

1. Release process update
 1. What about <https://dev.tiki.org/item6410> ?
2. Follow-up on "Adding a feed for Tiki improvement, evolution"
Was anything decided ?
3. Tablesorter date range filter field: should luci integrate this [From/To UI concept?](#)
4. ...

Second hour, longer topics

1. Are we going to send a Newsletter?

I'm thinking maybe I should volunteer to take the lead on newsletters (and news articles, etc.) (or other useful role). I just need to get up to speed on what all is involved.

2. Review of the pending Tiki **Community Items** (issues and wishes affecting the Community as a whole and *.t.o sites), for up to 15 minutes. See
 - <https://dev.tiki.org/Community+items#Summary> and <https://dev.tiki.org/Community+items#List> (*Why this?*)
3. Recurring tracker dates for events - how best to do it? Relate calendars and trackers, or extend tracker date fields?

Recording
