## What

See Roundtable Meetings for a detailed description.

## Fixing Community Items session

*(Why this?)*
Closing the Roundtable time we use available time to organize a session to fix a list of bugs from the reports at https://dev.tiki.org/Community+items#Summary and https://dev.tiki.org/Community+items#List

- …

Tiki community issues (no coding) where volunteers are needed

- ...

Where

[http://live.tiki.org](http://live.tiki.org)

Topics

1st hour quick news

1. Preparing next month branching
2. Japan Tikifest summary

Second hour, longer topics

1. Tiki code reformat
2. Tiki to Bootstrap4
3. CAPTCHA Options
   - We got an email pointing us at this list which has a good selection of alternatives and as we have had to go back to manual validation of registrations here it is obviously something we need to improve in Tiki imho
