TikiFest

A tradition in the Tiki community, a TikiFest is a meeting between Tiki community members (who usually only meet online). This is an opportunity to socialize, code and discuss wiki and related technology and culture, etc.

More Tiki events are listed on the Tiki Calendar
Follow @tikiwiki on Twitter for TikiFest info!

Please help to complete the TikiFest Timeline, which is running from tracker 18. If you have a minute (and are logged in) please help add the missing TikiFests there. Thanks!
