

TikiFest is a tradition in the TikiWiki community. A TikiFest is when there is a meeting between at least 2 TikiWiki contributors that don't meet usually. This is an occasion usually for drinking adult beverages getting laptops out and coding wildly in group sessions discussing about wiki technology and culture etc. depending the mood and context. It is a great opportunity for Tiki users and Tiki power users to meet some of the developers and learn more stuff 😊.

### When

Friday June 12th 10h->17h	TikiFest
Friday June 12th 17h->21h	Cocktail Wiki <a href="#">MO resto bar, 810 boul. Charest Est</a>
