

TikiFest2014-Brussels-Fosdem

Table of contents

What

FOSDEM (Brussels, Belgium) is probably the best community driven FLOSS event in Europe. It's massive, chaotic and fun. Also, Belgium is renowned for beer. It's all true: *Jyhem* has been there twice already.

When

It will happen 1-2 February 2014: <https://fosdem.org/2014/>

Where

Brussels, belgium

Tiki community involvement

[Jean-Marc Libs](#) has volunteered for helping organize the [wikis-devroom](#).

- We have one Tiki-related talk presented by [Jean-Marc Libs](#): [show.tiki.org project: facilitate bug reporting and solving](#) with slides [Tiki_Presentation_Fosdem_2014_v5_publish.pdf](#)
- We have one talk from a Tiki community member [Torsten Fabricius](#) about [wikiLingo - a unified approach to wysiwyg... programming?!?!?](#)

The call for holding a Tiki stand seems to have triggered no reaction.
