https://fosdem.org/

FOSDEM is a free event that offers open source communities a place to meet, share ideas and collaborate. It is renowned for being highly developer-oriented and brings together 5000+ geeks from all over the world. Jyhem has attended for 9 years nearly in a row and confirms that it's huge, it's chaotic, it's fun, and well worth attending.

Most of everything is in English.

When

In Brussels:
FOSDEM 2024: February 3rd (from 9:30 to 19:00) & February 4th (from 9:00 to 18:00)

Where

FOSDEM will take place at the ULB Solbosch Campus, **Brussels, Belgium**, Europe, Earth.
https://fosdem.org/2024/practical/transportation/

Why would we want to be there?

It's fun, there are plenty of talks about Libre/Open-Source topics, there are a lot of interesting people to meet who are active or interested in Libre/Open-Source topics, it's an occasion of getting the word out about Tiki and adopt good ideas from other projects ;-) 
Plus, we could take advantage of being together for renting a TikiHouse and having a TikiFest.

Who does what

- **Jyhem** volunteers for keeping in touch with other projects and participating in the **Collab Devroom** (see below).

TikiFest !!!

Before Fosdem or after (let's decide during a monthly TRM), all are welcome to meet some days earlier for talking, coding, having fun. Please update the above attendance table.

Suggested TikiFest topics

- Learn from other projects strength and weakness, for ex. Wordpress and Nextcloud (referring to the end product)
