

UniWiki

UniWiki is the name of a research project for innovation in teaching at university, using wikis, among other tools.

For more information, please refer to:

- <http://uniwiki.ourproject.org> <- main page of the projects website (in Catalan, and bits in Spanish)

Or, instead:

- [LearningManagementCaseStudyXavidp](#) <- Some information of the project at tw.o (in English)
- [UserPagexavidp](#) <- Personal page in tw.o of Xavier de Pedro, coordinator of UniWiki project. (In English)
