Yannick Majoros

- **Interests (at least, computer ~)** : C++/asm/web (mostly Perl, php for Tiki ;-))/db
- **Profession** : sysadmin for an university (but I was educated as a primary school teacher).
- **Country** : Belgium
- **Languages** : French/English/Dutch + some Walloon dialect , a few words of Romanian and German...

Tiki projects I have been working on

- Wiki plugins for db interface : WikiPluginsDb
- **(STOPPED FOR ABOVE PROJECT )** WxcvbnProject : really abstract databases (=queries in db itself).
- CinsiGame (page is out of date, project has been greatly improved on a private site ; url on demand).
