## Yannick Majoros

- Interests (at least, computer ~): C++/asm/web (mostly Perl, php for Tiki ;-) )/db
- **Profession**: sysadmin for an university (but I was educated as a primary school teacher).
- Country : Belgium
- Languages : French/English/Dutch + some Walloon dialect 😊, a few words of Romanian and German...

## Tiki projects I have been working on

- Wiki plugins for db interface : WikiPluginsDb
- **(STOPPED FOR ABOVE PROJECT**  WxcvbnProject : really abstract databases (=queries in db itself).
- CinsiGame (page is out of date, project has been greatly improved on a private site; url on demand).
