Bonjour !

I live in Auvergne in middle of France, in a little village, where I turn our micro firm toggg
I'm a tikidev but I "work" allmost by PEAR and Routeit
At your disposal for any developement...
Tikiwiki works:
• TogggDeletor (citate by Mambo !
• DrawToggg
• switchMenuPlugin
• bug hunts
• security fixes
• ...
• bad politics

à+
