My name's Alexis Mccann and I'm really impressed with how much is up on this wiki, and I'm looking forward to putting my own work in, too. I'm a full time parent of three, and I spend most of my free time on the web. It can get lonely staying in the house all day, and babies aren't great conversationalists. Since I'm really new here, I would honestly be happy to get feedback on anything I accidentally screw up. I guess you can add things on this page and I'll see them? I'll get the hang of it once I've had a little time to splash around. So, that's it?
