

Usergroups

It is possible to found and to setup usergroups on the Tiki Community website.

Usergroups can be

- local groups, with people from the same region
- language groups
- groups of special interest
- what else?

If you want to set up a group just contact [Marc Laporte](#) or [Torsten Fabricius](#).

existing usergroups:

[German Language User Group](#)

[Florida TUG](#)

Alias:

[Usergroup](#)
