TikiWiki Listed in EContent Top 100

Rick - 02 Jan 2008 05:40 GMT-0000

TikiWiki CMS/Groupware has been named to the Seventh Annual EContent 100. The annual list contains the companies "that matter most in the digital content industry."

The wealth of new features and enhancements contained in the upcoming Release 1.10 will no doubt maintain Tiki's position as one of the best digital content and social media platforms.

Please see:

- EC100 Introduction & Category Descriptions

- 2007 EContent 100 List. (Mostly large companies like Adobe, Microsoft, Google, etc. but about a dozen Free Source Software projects and just 2 wiki engines!)
