

TikiFest Virtual 2021 starts today at 12UTC

Bernard Sfez / Tiki Specialist - 02 Jun 2021 09:32 GMT-0000

TikiFest gathering to discover, share, discuss and code together. All opinions about the present and future of Tiki Wiki will be on the table. Discover the new Tiki23 that will be release very soon, follow the discussion and progress on new technologies added or may be added to Tiki, learn about cache improvement and error reporting, improve your code skills by following coders work, etc... Many topics during 4 days from June the 2nd to the 5th 2021

<https://tiki.org/TikiFest-Virtual-2021>.
