

Currently

The Tiki community currently hangs out here: <https://gitter.im/tiki-org/community>

You may see some unfamiliar terms, so here is a [glossary](#).

Former chat

[+]

In the past it used to hang out in a [IRC chat](#).

- [Learn how to configure a client to join the discussion](#)
- Join directly through this [web-interface](#)
- [IRC chat log & search](#)

There was an experiment for an [XMPP](#)-based chat: [Comparing IRC and WikiSuite.chat](#)

alias

[JoinChat](#) | [Join Chat](#) | [XMPP](#)
