[A Maple Syrup Day, Christmas, Hanukkah, Emperor's Birthday and more are coming !](#)

Every year the same. End of the year holidays appears just unexpectedly and you would not believe, it starts around the last quarter of December, just coincidently like last year.

Do not forget to plan festive celebration, presents for the kids and family.

Mind to bake patties, biscuits, plätzchen, decorate the tree or do whatever you do in your country, your personal believes or your culture.

Mind where you plan to celebrate new years eve. The December 15 Roundtable Meeting is the last one this year and soon things will quiet down until the next meeting at 19 January 2017. **Happy days!**
