Tiki community's involvement

[Jean-Marc Libs](#) has volunteered for helping organize the [wikis-devroom](#).

- We have one Tiki-related talk presented by [Jean-Marc Libs](#): [show.tiki.org](#) project: facilitate bug reporting and solving with slides [Tiki_Presentation_Fosdem_2014_v5_publish.pdf](#)
- We have one talk from a Tiki community member [Torsten Fabricius](#) about [wikiLingo](#) - a unified approach to wysiwyg... programming?!?!

The call for holding a Tiki stand seems to have triggered no reaction.
