Biography

I come from a christain family of 4. I was born on January 22nd 1987. I completed my high school at Nasinu Muslim College and my tertiary at FIT and NIIT.

My goal in the future is to become a network or systems administrator.I also wana work towards graphic and web designing. My long term goal is to become a Microsoft Certified Systems Engineer/Administrator(MCSE/MCSA). I have started my Mircosoft Certified Professional (MCP) studies and will be completing soon.

I have worked in an computer company as a computer technician and internet supports reps. I also have some management experience while studying hospitality at FIT and working as a trainee at Raffles Gateway Hotel nad am working as an ICT Operations Officer at AvonSys Limited

I want to improve my skills in ICT in coming years.My main aim is towards Networking.

I like making friends from any race and chilling out with them...
