

Rodrigo Primo

I'm Rodrigo Primo from Brazil. My personal website is <http://rodrigoprimo.com> (almost everything in Portuguese).

I'm a freelance developer rooted in the open source community. I have experience with PHP, MySQL, jQuery and Linux.

You can hire me to:

- Develop new Tiki features or improve existent ones.
- Deploy and customize a Tiki installation.
- Train Tiki users.

My e-mail is rodrigo (at) utopia (dot) org (dot) br

I have been contributing to Tiki since 2005.

Below is a list of my main contributions:

- [Mediawiki to Tiki importer](#) which I did during the Google Summer of Code 2009.
- [Wordpress Importer](#)
- [Blog revamp](#)
