Activity: None, just sitting at computer desk
Interests: XML, text encoding.
Fun: XML, text encoding
Location: Bordeaux (France), Freiburg in Breisgau (Germany)

Objectives: migrate from JSPWiki (the best I have known yet) to Tiki (looks good as long as I can still having my xml code full of barbarian namespaces in the pages😈)

Homepage: Oh! god, I donknow wen I see the end of't😀
Other: Ooops, I didn't start my username with a capital letter...🙂
